CENTER CHURCH

About the Family

Upon giving my life to Christ before my senior year of college, my heart was set on going into full-time ministry. I graduated from Purdue University in May of 2022 and soon after moved to Charlottesville, Va., to work in the biotechnology field. Since then, I have transitioned to teaching calculus and Latin at a classical Christian school in the area. Recently, the Lord has opened a door for me to step into a role at my church in college ministry.

More than anything, I love people! My greatest passion is learning more about other people and sharing the love of Christ with them. It is such an honor and excitement to get to live my life poured out in this way!

About My Church Plant

I will be working on college ministry staff at Center Church, focused on students at the University of Virginia (UVA). The vision for Center Church's ministry comes from Ephesians 4, equipping the saints for the work of ministry for the building up of the body of Christ.

The gospel is at the core of the mission: reaching students with the gospel, building them up with the gospel, and sending them out from college with the gospel. The vision of Center College is to make whole-hearted disciples who love God, love each other and love the world around them.

I am eager to see God bring life to students and change the trajectory of their lives after college to leverage their passions and gifts for the glory and mission of God!

PRAY.

Pray for boldness to share the gospel that leads to transformed hearts among UVA students. Pray that an abundance of students would place their trust in Jesus Christ for salvation and live sacrificed lives for the Great Commission. Pray God uses this ministry in ways to do immeasurably more than we could ever ask or imagine!
