

Olivia Threlfall

FORT MITCHELL BAPTIST CHURCH

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for the students on NKU's campus that they would be open to conversations about Jesus and that their hearts would be softened to follow Him.

Pray that our BCM would continue to build connections with international students and that we'd see people from the unreached saved right here on our campus.

Pray that our BCM students and leaders would have boldness in sharing their faith with their classmates and on our campus.

PARTICIPATE

I would love to have you on my team! If you're interested in partnering with me and hearing more about what God's doing at BCM and in my life, don't hesitate to reach out.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

About the Family

In December of 2025, I graduated from Northern Kentucky University (NKU) with a Bachelor of Fine Arts in Visual Communication Design. Throughout my time at NKU, I was heavily involved in the BCM, joining leadership as early as my freshman year. During my time as a student, the Lord used BCM to teach me boldness in the mission field, starting right between my own two feet. I learned how to share the gospel with classmates, to hold myself accountable to other believers, and to grow my heart for the nations. Now, as a BCM staff member, I strive to use the wisdom God has provided me to spur other students on to fulfill the Great Commission in their short, yet impactful, four years of college.

When not at the BCM, I spend time with my church family, explore new coffee shops with friends, try out new artsy hobbies, and enjoy the outdoors.

About My Ministry

I am a Collegiate Campus Ministry Associate (CMA) at NKU. Our vision statement at the BCM is to know Jesus and make Him known to our campus and to the world. As a CMA, I have the privilege of walking alongside college students during a pivotal season of life. Through intentional discipleship, leading the women's ministry team, being hospitable with my home, and building relationships with international students, I seek to help students encounter Christ, grow in their faith, and become leaders who will live on mission. I also use my creative skills in design and media to support the ministry's outreach and communication efforts through marketing, social media, and photography.
