IGLESIA CRISTIANA ETHNOS

About the Family

Hello there! We are the Loza family! Thank you for your interest in church planting with us.

My name is Omar, my wife is Tia, and we have been married since 2007. We have two kids: Eliana and Ezra. We are a bilingual family, and God has used both our Spanish and English skills for ministry. We love it!

I was born and raised in Peru and have served in ministry for more than 15 years, serving in Peru, the United States and Mexico. My wife has served in both short- and long-term missions for several years. We actually met for the first time while serving on the mission field.

About My Church Plant

God is calling us to plant Hispanic churches in North County, San Diego. We know there is a great need for the gospel, for healthy churches and for Great Commission-minded believers among the Hispanic communities in our target area. By God's grace, all this can be possible. Thank you for joining us and for your prayers. Soli Deo Gloria.
