RADIANT CHURCH

About the Family

I grew up in Massachusetts and graduated college with bachelor's degrees in biology and international relations and later a master's degree in public policy and administration from the University of Massachusetts Amherst. I am currently finishing a master's degree in Christian ministry/church planting at Capital Seminary.

I became a Christian through a Bible study during my summer internship with the Massachusetts governor's office. Shortly after my conversion, I helped pioneer a young adults discipleship initiative and helped co-found a local Christian relief organization. Since graduate school, I have worked in global business development and helped to plant and pastor a church in the inner city of Baltimore.

I have been married to Tiffany since 2016. Tiffany is a teacher and stay-at-home mom. We have two children: Lucas and Lydia.

About My Church Plant

The spiritual need and strategic impact for gospel work in Towson is massive. Towson is a rapidly growing community of 60,000 people with 200,000 living within a 15-minute drive. In addition, each year ambitious college students come to study at its numerous universities.

With nearly 30,000 college students and even more young professionals, families and senior adults, there is great potential in starting a gospel-centered movement in Towson. We have an amazing opportunity to bring together the zeal and movemental spirit of the next generation with the wisdom, experience and resources of Towson's more rooted neighbors for the sake of making disciples and multiplying churches.

Towson is ripe for this type of holistic evangelism and discipleship that we believe will lead to the formation of a church community that shares life together.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

We need prayer for unity among the church planting team, wisdom, financial partners, open doors for the gospel and, most of all, for the Spirit to show himself strong on our behalf. We would be extremely grateful if you would partner with us in this way. Pray for boldness to share the gospel and open hearts among the people to whom we speak. Pray that through this ministry, more people would come to saving faith and live on mission. Pray for faithful endurance for our church planting team.

PARTICIPATE

Build relationships with missionaries and their families. Send notes of encouragement. Learn birthdays and anniversaries, so you can send gifts and cards. Partner with us by sending people to help us in planting the church. This could be by sending people to be part of our plant or sending teams to help us through missions efforts.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
