MILE CITY CHURCH

About the Family

I have been married for 13 years to Ruby, my life partner. She is the person God uses to encourage me daily. Ruby and I believe our first ministry is our family. We have three wonderful children—Jacob, Oscar and Victoria, who are gifts from God.

I am grateful to God for this special calling He has placed on my life. It is a great blessing to see how God has supported us and has put peace in my wife and children in every step of faith and obedience we have taken to share the gospel.

About My Church Plant

Some time ago while serving at Champion Forest Baptist Church in Texas, God surprised us by opening the doors to work in the state of Michigan alongside Mile City Church, which gave us the opportunity to join the great family of Send Detroit.

Our main objective in the state of Michigan is to target the growing Hispanic community through church planting. We believe that through a new plant, we can create spaces that will involve and impact families, marriages and students.

We dream and desire to be a church, firm and joyful, that embraces the lost and at the same time encourages believers to continue making disciples. We want to be a church that aims to carry out the Great Commission in the Hispanic community in Michigan.
