## SOWER CHURCH

### About the Family

Hello! We're the Eickhoffs! We live in Lincoln, Nebraska, where we are blessed enough to go into ministry together. We are part of a praise and worship band called "We the Many," a Lincoln-based band that is dedicated to raising a holy sound to our Creator, Comforter and Redeemer. Meleah is at the University of Nebraska at Lincoln pursuing a degree in advertising and public relations. I am at the University of Nebraska at Omaha taking online classes toward a degree in emergency management with a focus in non-profit management and natural disasters.

We were married in October of 2023 and are so excited to see where God leads us in the coming years. We love running together, writing and playing music together, and cooking!

### About My Ministry

Our ministry is currently focused mainly on college students, as well as high-school/junior-high students and young adults. However, as our ministry is also deeply rooted in music, we're more than happy to serve all who will listen.

More specifically, much of the ministry we do is with Sower Church and Christian Challenge. Here, we serve mainly college students at the University of Nebraska at Lincoln, Wesleyan College and Southeast Community College.

Our main mission and focus is on providing a safe and comfortable place for individuals and groups to learn about, commit to and prepare for advancing Christ and His Word into the world. There is so much uncertainty in the world, and we're all searching for purpose and meaning. God and God alone can provide that, and we long to bring people to Him and all He provides!

#### PRAY.

Pray God will work within the world and within our hearts. Pray for those who don't believe, for those who have fallen away, for those whose faith is weak, for those who are walking the narrow road, and for all those in between. We all need God. Pray for those serving in mission fields. Whether it be in our own backyards, across the state, across the country, or overseas, God calls us to go out and spread the gospel, and that has difficulties no matter the circumstances. Pray for us as we begin our life together and walk alongside one another. We're so very excited to start a family and be servants of Christ side-by-side!

#### PARTICIPATE

Let us know who you are and how we can get to know you—birthdays, anniversaries, prayer requests, and everything in between. Whether you are a partner, prospective partner, or someone just checking everything out, we're happy to have you! Reach out if you have any ministry suggestions, comments, concerns, or other things you want to share!

#### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
