FRESH START CHURCH

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom we speak
Pray that through this ministry, more people would come to saving faith and live on mission.
Pray for stamina and longevity for ministry amidst attacks from the enemy.
Pray for our move to Montana and that the Lord provides a place to live and begin His ministry.
Pray hearts will be open and receptive to the gospel.
Pray leaders will rise up and take responsibility for their community and plant a local church.
Pray God will call more workers to the harvest in Montana and around the world.

PARTICIPATE

Build relationships with missionaries and their families
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.
Invite others to engage in this ministry.
Plan mission trips to Montana to help us and other churches.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
Support a missionary financially.

About the Family

My wife, Christine, and I are passionate about the spiritual growth of families, children and young adults within the community surrounding the local church. We have adopted 11 children under the age of 10 along with three biological children of our own. One is married and serving in ministry, and one has completed Bible college.

We are walking by faith to plant churches in eastern Montana and meet the needs of those in the outlying areas.

About My Church Plant

We feel led to begin our ministry in the eastern Montana town of Zortman. This to us is the "Gateway to the East," where we can reach outlying ranchers to develop discipleship groups that will in turn lead to the planting of rural churches within those areas.

The overall goal is to establish multiple discipleship groups and train up leaders who will be raised up by the power of the Holy Spirit to take responsibility for their community and plant churches across eastern Montana, Montana and to the ends of the earth.
