PRAY.

Pray for a permanent building. Currently, the church is meeting in a small apartment in a commercial space. Pray that relationships will be created and strengthened. Pray God will pave the way financially. Pray for boldness to share the gospel and open hearts among the people to whom we speak. Pray that through this ministry, more people would come to saving faith and live on mission. Pray for stamina and longevity for ministry amidst attacks from the enemy.

About the Family

My wife, Elena, and I have been blessed with 25 years of joyful marriage. The Lord has graciously entrusted us with two daughters, Dioany and Dioyanda, both of whom walk faithfully with Christ. Our eldest daughter, Dioany, serves as a missionary in New York, while our younger daughter, Dioyanda, is pursuing a degree in communications at the university and currently resides with us.

About My Church Plant

I hold a Master of Theology degree from Southwestern Baptist Theological Seminary. For 25 years, I had the privilege of serving the Lord in Venezuela through church planting, pastoral ministry, and leadership development. In His providence, God opened the door for our family to relocate to Texas, USA, where, in March 2024, we began the work of planting a Hispanic church in Fort Worth.

Over the course of my ministry, I have served in various capacities—as pastor, missionary church planter, director, and instructor at a Bible institute. In March 2024, we launched a new Hispanic congregation in Fort Worth with a clear vision: to establish a healthy, reproducing church capable of planting other congregations in the future, thereby advancing the kingdom of God in other communities.
