### PRAY.

- ◊ Pray we will boldly share the gospel and that the Spirit will draw those we encounter to saving faith.
- ◊ Pray for us as we encourage fellow Christ followers to live on mission.
- ◊ Pray for divine appointments.
- ◊ Pray for our physical and spiritual health and for protection from Satan's attacks.
- ◊ Pray pastors, their wives and their families will be protected from Satan's attacks. Pray they will be healthy in their marital relationships, will be encouraged in their own faith, and that their churches will grow in faith, leadership and resources so they can share the gospel within their communities.

### PARTICIPATE

You are invited to partner with us in the gospel. Contact us about joining our prayer team or newsletter list or for short-term missions opportunities. Our ministry is totally self and supporter funded. Please consider giving toward our travel and ministry related expenses.

### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

## About the Family

I successfully planted two new churches in Wyoming and Missouri. During those difficult years, God sent a steady stream of ministers of encouragement. We now seek to pay it forward!

I have served in various pastoral roles: director of outreach, church planter, lead pastor, transitional pastor, highway patrol chaplain, mentoring church planters, etc.

Laura is a devoted ministry partner, Bible teacher and wife who has served in many church ministry and administrative roles. She has a heart for encouraging women, especially pastors' wives.

We love spending time with family and friends, laughing (mostly at ourselves), finding adventure together, including hiking, running, and almost anything outdoors.

## About My Ministry

Having a primary focus in southwest Montana, we seek to multiply Christ followers who multiply Christ followers.

As southwest Montana missionaries, our mission is to: share the good news of God's amazing grace, grow gospel-centered communities of Christ followers, encourage new and isolated Montana churches and their leaders, and inspire small groups and Sunday School classes to become more gospel focused.

We work with local churches in unreached or underserved areas to start Gospel Communities. A Gospel Community is a gathering of Christ followers whose primary focus is demonstrating and declaring the gospel to their neighbors and making disciples. Our truck and fifth-wheel trailer enable us to deploy onsite to these churches and communities.
