MOMENTUM CHURCH

About the Family

My family consists of myself, my lovely wife, Tandra, two adult children, Tasia and Phillip Jr., and Zackary, who is still at home. As a family, we enjoy spending time together trying new foods (throwing something on the grill is our favorite, though), visiting family, traveling and going to the beach (my favorite).

My wife loves shopping :), but she can cook as well. If you want some real good southern cooking, then the Jones home is the place to be!

And my son just loves life and all its adventures (He's never met a stranger!), while I am just happy and excited when they are enjoying themselves.

Our family life is centered around Christ, fulfilling the call that is on our family, serving others, all the while enjoying as much of God's grand creation as we can, especially with the many dear friends He has brought into our lives.

About My Church Plant

God has called me to lead His people by preaching and teaching the Word of God through verse-by-verse expository preaching. Our ministry to southwest Florida is to equip the believer to be actively engaged in four key areas foundational to the church: evangelism, discipleship, training and missions (Matt. 28:19-20).

My ministry is not only my ministry, it is the calling of the family. As I serve them as the head of the home, they support me in ministry—a divine familial symbiosis. We are called to bring the gospel of Jesus Christ and His salvific transforming power to a culture that is materialistically mesmerized and has all but abandoned God's original design for humanity.

Our task as church planters is to reengage the culture, lovingly, apologetically and faithfully, and also to reflect the kingdom of God.
