## MISSION CITY CHURCH

### About the Family

Erin and I have been married for five years and have two beautiful children, Lucca and Emiliana. We love doing things together as a family, enjoying good restaurants, and traveling. We love to build an authentic community and make people feel welcome. We are passionate about seeing those who are far from God experience the life-changing gospel of Jesus.

We are planting a church in St. Johns, Fla., and look forward to seeing God there. This area is one of the fastest-growing areas in Florida and the country. We are eager to see the gospel reach many in St. Johns as we help people find their purpose in His mission.

### About My Church Plant

#### Mission Statement:

Living on mission by following Jesus and helping others follow Him.

#### Vision:

Our goal is for all people in St. Johns and the surrounding area to know and love Jesus, find their purpose in His mission, and do good works for God's glory.

I love teaching and preaching God's Word, seeing people grow in following Jesus, seeing the lost become Christ followers and equipping people to make a difference for the mission.

In the several years I have been a pastor, I have seen hundreds of people come to faith in Christ, grow in spiritual maturity and discover their purpose in the mission Jesus has given us. I'm eager to see what God is going to do through our church plant, Mission City Church.
