AFGHAN EVANGELICAL FELLOWSHIP OF CANADA

About the Family

I am Qadir. My wife, Najila, and I have been married for nine years. We are a family of four with two children. Pouya is in the third grade, and Benyamin is in kindergarten. We live in Langley, British Columbia. We have lived in Canada for just more than one year and are thankful that God has called us here.

I am a church planter, and my goal is to reach out to the lost sheep and gather them into a community to form a new church. We are planting a church in the Langley area called Afghan Evangelical Fellowship of Canada.

I hold two bachelors' degrees, one in computer science and one in Christian theology.

About My Church Plant

More than 5,000 Afghans have come to metro Vancouver since 2021. We feel called to plant a church to reach them and many other people with the message of Christ.

We are also committed to serving, teaching and discipling people who come to the church. Our ministry is based on the Great Commission of Jesus Christ as outlined in Matthew 28:18-20, where Jesus said: "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Our ultimate goal is to continue spreading the message of God and serving others with faith, love and commitment, helping to achieve divine purposes in the lives of people.
