About the Family

Hello! My name is Rachael Alexander, and I am a recent graduate of Kennesaw State University. I have an identical twin named Kristen, who is also going into collegiate ministry.

I have grown the most in my faith during my time in college as I attended and served in Cru on campus and at Image Church. It makes me excited to see what God will do through students as I jump into this next season of life.

I like drawing, painting, sewing, watching movies, and making soup.

About My Church Plant

My collegiate ministry is located in the Atlanta Metro area, specifically at Kennesaw State University. I will be part of reaching students who do not know the gospel. Also, helping to equip and challenge students in their faith as they navigate life in college. I will encourage those students to go out and share the good news on campus and off as they are sent. I will help students take their relationship with God and act on it, living beyond Sunday.
