IGLESIA CALVARY CRISTO ES EL SEÑOR

## About the Family

My wife, Yanelly, and I got married July 27, 1996. We have two children, Ruth and Marcos. We came to the United States from Cuba six years ago.

## About My Church Plant

Jesus found me 31 years ago. I was studying to be a doctor when I was born again.

We are planting a Hispanic church in Houston (League City). God opened the door for us with Heritage Park Baptist Church, and we have been having service every Sunday. We are starting small groups now in order to share the gospel with our community. We also distribute food boxes to the community and prayerwalk in different neighborhoods.

We have a devotional called "Al despuntar el Alba" from Monday to Friday and prayer meeting in the morning and in the afternoon on weekdays. Using Facebook live we have a program called "Alcance a la familia" on Friday nights.
