LIGHT AND GRACE MINISTRY

About the Family

I was born in Veracruz, Mexico. I immigrated to the United States in 2001 with my Bible. On that day, I didn't have any idea about Jesus Christ like I do today.

My favorite passage of the Bible is Luke 19:10.

About My Church Plant

God used me in the Vida in Victoria Church. My pastor was Victor. He taught me about the importance of faith and sent me to study at GateWay Seminary. I have led small groups, taught, preached and planted churches since 2008.

I'm a church planter in Garden Grove, even in this pandemic season. We love our community and serving our members.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
