**NATIONS CHURCH HOUSTON**

## About the Family

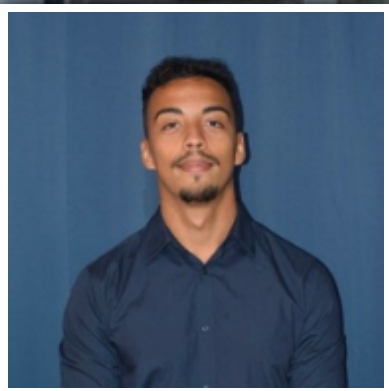

I am 27 years old, was born in Ethiopia and raised in Italy. I am currently living in Austin, Texas, to see the kingdom come on earth as it is in heaven. I take advantage of my knowledge of English, Italian, Amharic and Spanish to serve as a missionary church planter to reach the nations as I complete my bachelor's degree in theology.

I am compelled by Christ's love and driven by a deep passion for the lost. I want to spend my whole life working toward the whole world knowing the whole gospel!

## About My Church Plant

My ministry focuses on sharing the gospel in multiethnic, low-income apartment complexes in Texas, where I also recruit, onboard, train and coach apartment missionaries with the purpose of spiritually engaging the residents. I strongly believe that the love of God can transform every area of one's life (emotional, physical, financial and spiritual), as well as every layer of society. For this reason, I share the gospel and provide discipleship for growth and care.

Newborn believers are being gathered to start new churches or connected to faithful churches where they can know God and make Him known. This is possible in partnership with local churches and WayForward, a missionary organization that has access to more than 100 properties across the country and which allows us to impact the lives of 13,500 people every year!
