REMADE CHURCH

About the Family

I have been happily married to Dawn since 1996. We have two amazing kids, one son-in-law and one grandson. We live in Port St Lucie, Fla., and love being near the water.

About My Church Plant

We planted Remade Church to fill a gap that has been left by many churches on the Treasure Coast of Florida. You may not believe it, but the Treasure Coast ranks #1 in the country for people who have never been church-ed with 17% of people fitting into that category.

Another amazing statistic is that the Treasure Coast is ranked #11 in the country for people who are dechurched (attended in the past) with 48% of people landing in that category.

These statistics are exactly why Remade Church was planted on the Treasure Coast. Our goals will include partnering with other gospel teaching churches as well as being something a little different in order to reach people who are currently disconnected.

Our mission is to see lost people found and to help found people grow. We do this by being real, refreshing and relational!

Find out how you can

Pray.

Participate.

Provide.

PRAY.

We launched on Mother's Day of 2021, and God has been blessing His church. We are currently praying for people to come to know Him. As we see new people fall in love with Jesus, we pray they will also fall in love with His church and begin to serve and connect. We currently rent a facility and set up and tear down each Sunday. Praying for a location to call our own is high on our list as well.

PARTICIPATE

Build relationships with missionaries and their families.
Send notes of encouragement.
Send gifts and cards on birthdays and anniversaries.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
Support a missionary financially.
