About the Family

Emma, Jones, Ella and I live in Victoria, British Columbia, where I serve as the worship and young adults pastor at Canvas Church. Emma also serves on staff as our communications and design coordinator. We love serving our church and community as a family and engaging with other young families all around Victoria!

About My Church Plant

We moved to Victoria in August of 2022. Since then, I have served as the worship pastor. In August of 2023, I took on the additional role of young adults pastor, as that group has grown significantly in our church. While that is my formal title, we all carry the weight of lots at Canvas. We have tons of camps and events for our community that are all hands on deck, as well as the caring for and discipling of our congregation.

We will be working with Canvas in their church planting efforts across Vancouver Island and beyond, praying and preparing to possibly plant a church from Canvas in the coming years. We will be actively involved in the community, sharing the gospel and working to make disciples throughout the greater Victoria area.
