About the Family

Laura and I were born and raised in the great state of Oklahoma. We were married in 2009, and God has blessed us with three amazing and fun kiddos, Elizabeth (10), Owen (8) and Charlie (6). We love our little family and are always ready for an adventure. We love baseball, biking and all things Oklahoma Sooners!

We spent the past two years living in New York City and loved it. We got to work with the international community at Columbia University and learned so much about their lives and what life is like around the world. God has given us a heart for the lost and specifically those in the world who have little or no access to the gospel. We are so excited to put down roots in Norman, Okla., and reach out and welcome the nations.

About My Ministry

We get the great opportunity to welcome, love and share life with those in the international community at the University of Oklahoma. We are part of the Baptist Collegiate Ministry with two primary goals.

First, we want to be actively engaged in the international community on campus. It can be so difficult to come to a new country, and we want to help international students, scholars and their spouses transition well to their new lives. Second, we want to help believing college students understand God's heart for the nations and help prepare and send them to the uttermost parts of the world. We want to see people from every tribe, tongue people and nation know and love Jesus.

One verse that sums it all up: Habakkuk 2:14: "For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."

PRAY.

Pray for our family as we transition to a new city and all that comes with a big life change.
Pray that God would give us many opportunities to share the gospel with those on campus (especially those from unreached countries).
Pray that we could help disciple and mobilize many to the nations.

PARTICIPATE

Three primary ways to participate:

1. Get involved on campus with us. There are many ways to love on and interact with the international community. Reach out and I'll help connect you.
2. Pray for the international community on campus
3. Financially support the work on campus by giving to those called to the international community.

Everyone has a role to play in the Great Commission.
