

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for our family's housing situation. City ordinances mandate we do work on our church parking lot and building. Pray for grace in time allowance to accomplish this. Pray for wisdom in the steps needed to make before re-launching. Pray for a permanent sign for the church.

PARTICIPATE

Participate in outreach events in late summer or early fall for launch. Join our team long- or short-term. We need instrumentalists and children/teen ministers. Send workers to help work on the building and parking lot.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

THE CHURCH AT CLAWSON

About the Family

My wife, Cindy, and I have been married for 14 years. We are having the time of our life raising our three crazy fun boys, Bobby, Tyler and Jaydon. I am a former high school teacher and basketball and soccer coach. We love to play sports, go on bike rides and hang out with Cindy's grandma.

About My Church Plant

We recently changed the name of our church to reflect our new location and community. We are planning to re-launch the church later this year. We have an incredible location right on Main Street. We currently average about 35 people on Sunday morning and would like to launch with 120 people this fall (2017). We have a passion to reach people with the gospel, gather for God's honor and glory and grow strong reproducing disciples of Christ. We desire to have a church that first supports and partners with planters in Detroit and then funds and supports our own planters. We currently have an outreach ministry to a local Boy Scout troop that meets in our building. My oldest son is a member, and I am the troop chaplain.
