About the Family

Wow! I could have never imagined the amazing family the Lord has blessed me with. I have a wonderful wife who loves Jesus more than anything and her family with a fierce love. I'm humbled to call her my spouse and friend. Christine and I have been married for 12 years and find so much joy in this journey. Knowing that our marriage is just a snapshot of Christ's love for His church, we long to be an example for our children, our church and our neighbors to display just a small glimpse of the gospel. Along with my amazing wife, I have equally amazing children. I guess you could say that my quiver is full! But what an honor it is to lead and love them and continue to point them to Jesus. They are a constant reminder of God's grace to me.

About My Church Plant

I have been in ministry for nearly 17 years serving as a youth pastor and worship pastor. As the Lord continued to teach us, He moved us to a place we never imagined we would be—planting a church! As we prayed and prayed and dreamed and prayed, we felt a strong call to start a new work in Washington, Mo. It's a small town of 15,000 people that is steeped in religion and history, but we found that there is a huge gospel void. With more than 52,000 people in our county claiming NO religious affiliation the need to great.

Washington is also my hometown, which I love and my family loves. It's an active community and the harvest is great. We love living here and being part of the ebb and flow and the strong sense of community. We hope to build upon the established community and help people experience the transforming love of Christ. We want to see healthy families thrive and people living with a greater purpose.
