Pray for boldness to share the gospel and open hearts among the people here in Alaska.

Pray that through this ministry, more people would come to saving faith and live on mission.

Pray that God will continue to surround us with brothers and sisters who want to join in on the mission of being kingdom focused.

Pray our marriage will withstand all attacks from the enemy and that we will lean on one another with Jesus for strength.

Pray we will find a meeting space that will accommodate our growing church.

## FOUNDATION CHURCH

### About the Family

My wife, Amy, and I are both Army veterans and have been married since 1998. We have six children: Adrienne, Nathaniel, Natalie, Matthew, Joshua and Jonathan. We are grateful to be serving the Lord together here on the Kenai Peninsula in Alaska as missionary church planters.

### About My Church Plant

We began our core team for Foundation Church in September 2022 and launched in April 2023. God has given us a heart to reach and engage our community through service, relationships, outreach, worship and discipleship. We have rented and built out a former shoe store here in the local mall as our church building so we can be a central hub in our community. God is doing a tremendous work as we've seen many who were unchurched or unreached place their saving faith in Jesus Christ!
