FOUNDATION CHURCH

## About the Family

My wife, Amy, and I are both Army veterans and have been married since 1998. We have six children: Adrienne, Nathaniel, Natalie, Matthew, Joshua and Jonathan. We are grateful to be serving the Lord together here on the Kenai Peninsula in Alaska as missionary church planters.

## About My Church Plant

We began our core team for Foundation Church in September 2022 and launched in April 2023. God has given us a heart to reach and engage our community through service, relationships, outreach, worship and discipleship. We have rented and built out a former shoe store here in the local mall as our church building so we can be a central hub in our community as well as a safe place to warm up, have coffee and Jesus conversations during the frigid Alaskan winters.

### PRAY.

Pray for boldness to share the gospel and open hearts among the people here in Alaska.

Pray that through this ministry, more people would come to saving faith and live on mission.

Pray that God will continue to surround us with servants who want to see His kingdom shine here on earth.

Pray for supporters to see and understand the need here in Alaska and to rejoice with us through the fruit of the work.

Pray that we will be a light to those around us in the mall that we rent, that we can minister to the shops around us.

Pray that God will provide enough chairs for the number of new people that are coming to our church!

### PARTICIPATE

Build relationships with missionaries and their families.

Send notes of encouragement.

Learn birthdays and anniversaries, so you can send gifts and cards.

We are in desperate need of chairs! Our church is growing, we need chairs and may potentially need a new space to meet in!

### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.

Support a missionary financially.
