CLIFFORD BAPTIST CHURCH

About the Family

Hey y'all from the Ferro family!

We are a family of six from central Virginia in the foothills of the Blue Ridge Mountains. Raising our family in the beautiful Blue Ridge Mountains has given us the opportunity to be a family of adventure, who enjoys spending time in God's creation and using it as a means to share the gospel.

As a family we have been blessed to be part of and serve with our brothers and sisters of Clifford Baptist Church. Through this the Lord has helped mold us into the family we are today.

About My Ministry

Our outreach to Alaska began in 2022 when I led a small team to the island of Kodiak for an aid project with a local church. After that trip, we began to feel a calling to serve the people and villages of Kodiak, Alaska. In 2023 Lynnette and I led a team from Virginia to the island again, but this time to serve the villages on Kodiak. This team began to build relationships and minister to several of the villages found on the outskirts of Kodiak and through those relationships share the gospel of Christ.

After that trip in 2023, we felt a great calling to serve on a more full-time base to the native communities of Kodiak. Under the guidance of the Lord, we sold our house and belongings so we could make the move to Alaska. Our family of six then journeyed across the U.S. by truck and plane, making its final stop and home in Kodiak, Alaska!
