THE GROVE COMMUNITY CHURCH

## About the Family

I am 22 and recently graduated from California Baptist University (CBU) with a bachelor's degree in business administration. As you can see, I am not currently going that route, but I'm sure it will help me out!

I was born and raised in Lake Forest, Calif., to my two lovely parents. I also have a younger sister who is 17 this year. My parents have been a wonderful encouragement and constantly remind me to find rest and motivation in the Word of God. My girlfriend Holland and her family have also been a great blessing in supporting me in this ministry as well. I am very thankful to have them with me!

## About My Ministry

I want to be on CBU campus in August to connect, learn and help establish students in their faith.

On campus, we try to model discipleship through loving all, helping many and training few. We "love all" by hosting large weekly meetings with speakers and games, "help many" by hosting interest-based small groups, and "train a few" by inviting faithful students at these events who are interested in discipleship to join our D-groups (discipleship groups) to study disciplines in Scripture, evangelism, prayer and fellowship.

### PRAY.

Pray for boldness to share the gospel and open hearts among the people and students at CBU.  
Pray that through this ministry, more people would come to saving faith and live on mission.  
Pray for stamina and longevity for ministry amidst attacks from the enemy.

### PARTICIPATE

Please join me in prayer for the students on the campus at CBU. I will send out a prayer request form and would love for you to sign up to pray.

### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
