PRAY.

Pray for a larger church building as we are outgrowing our current facility.
Pray for more laborers for the harvest to step up and serve, as our kids' ministry is overflowing and we need more volunteers.

Pray for a youth pastor as we have a good number of youth coming to church.

Pray for our discipleship class that God would continue to grow people to spiritual maturity.

Pray for us to continue reaching the unchurched for Jesus, and that many will be saved.

Pray that through this ministry, more people would come to saving faith and live on mission.

Pray for stamina and longevity for ministry amidst attacks from the enemy.

About the Family

Shawna and I were married on September 17, 2017, and have since built a loving family together who loves serving Jesus. We are the thankful parents of four children: Harley (7), Brixton (5), Madelynn (3), and Ronald (5 months).

Our prayer is to rescue sinners with Jesus and reach families. Jesus didn't come for the healthy. He came to seek and save lost people. Luke 19:10 is my favorite verse. Jesus was moved with compassion for people without a shepherd, who were lost and struggling in the world. We want to reach the unchurched; we want to see people come to faith in Jesus. We want to reach as many people as we can in Idaho with the gospel and have a national and global impact for Jesus, seeing many get saved, be discipled, and make heaven crowded!

About My Ministry

The vision of planting Water Brooks Church is the same mission Jesus gave His followers in Matthew 28:19: to make disciples, baptize, teach the Bible, and preach the gospel. It is the dream of one day welcoming more than 10,000 people into the fellowship of our church family. It is the dream of developing people to spiritual maturity through Bible studies that go through God's Word, discipleship classes, conferences, retreats, and learning through a Bible school, outreach events, renting out stadiums to preach the gospel, and sharing gospel music. Our dream is to have an awesome youth and kids ministry. We hope to raise up pastors and send them out to plant churches.
