## GRACE GATHERING

### About the Family

Originally from New York, my family moved to Boca Raton, Fla., when I was in the third grade. I didn't grow up in church, but when I was 20 years old I was invited to go to church, and that is when I heard the gospel for the first time. A few months later I accepted Jesus as my Savior.

I am married to my high-school sweetheart, Giovana, and we absolutely love doing ministry together. We have been serving the Lord together since 1992. I couldn't imagine doing life without her.

We have three incredible children: Tatiana (23), Jonathan (21) and Cristina (17). All three of them love the Lord and serve faithfully at our church. We love spending time together as a family going to the beach, playing games, watching movies or just sitting down and catching up with all that's going on in life.

### About My Church Plant

In the summer of 2016, God placed a burden on us to reach Boca Raton for Christ. Boca is one of the hardest places to plant a church in the country, but God made it very clear to us that this is what He wanted us to do. We launched the church in October 2017 and since then we have seen God's hand of blessing on this ministry. It is an incredible joy to see lost people who have been living in brokenness come to know Jesus as their Savior.

Our prayer is that God would continue to grow our church with new converts, that they would be discipled and then deployed to share the gospel with others. Our hope is that one day out of this church plant we will see others rise up to start another church plant as well. Please join us in that prayer.
