Please pray our family will grow in love and peace each day!

Please pray for God's protection over our home, marriage, and our family as we continue to live for God's truth in a highly unchurched area.

Please pray God will draw those in New Hampshire unto Him.

Pray for boldness to share the gospel and open hearts among the people to whom we speak

Pray that through this ministry, more people would come to saving faith and live on mission.

Pray for our family unit, home and eventually church to be a sweet and shining light of hope and love to a dark land.

Pray for stamina and longevity for ministry amidst attacks from the enemy.

About the Family

Emmilee, Judson (age 2) and I are located in New Hampshire! As a family, we love to hike the endless trails in New Hampshire and live embracing what each season holds.

I am a New Hampshire native who, after serving in ministry in Florida, couldn't turn down the call to return to New England and be a gospel light. The deep love and intimate knowledge of the need for God's love and truth is our daily reality and keeps us believing in the mission here in New Hampshire.

We regularly are out exploring small towns, visiting our local coffee shops and farms and spending time with each other savoring this beautiful and special state.

About My Ministry

We are so thankful to be part of The Well Church in Nashua, N.H. We are leading the youth while engaged in a two-year church planting residency. Our desire is to see God bring a team together to plant a church in New Hampshire. We are really excited to see God work and join Him in it! New Hampshire is the most unchurched state, and its need for the gospel is so prevalent! Our hearts are so strongly connected to the need here, and we will continue in hopeful expectation to see God's love transform the people we have met and continue to meet.
