REDEEMER BAPTIST CHURCH

About the Family

I grew up in Federal Way, Wash., and received a bachelor's degree in songwriting from California Baptist University (CBU) in 2025. During my time at CBU, I grew as a follower of Christ and learned how to make disciples and share the gospel regularly. God used this ministry to change the trajectory of my life as He continued to press upon my heart the beauty of Jesus and the gospel.

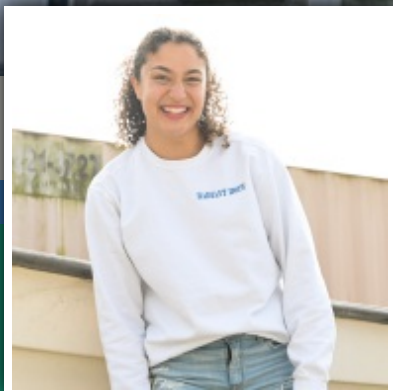

In college, the Lord helped me grasp the wonder and reality of His love, to abide in Him and to bear fruit (John 15:5)! I am excited to work alongside people who have graciously and faithfully walked alongside me as we share the gospel on campus and equip believers to joyfully and faithfully live in the Great Commission!

In my free time, I enjoy writing music, swimming, being outdoors, traveling, spending time with friends and family and playing sports!

About My Ministry

Discipleship ministry at CBU is all about sharing the gospel, helping believers faithfully live out the Great Commission and teaching others to do the same. California Baptist University has roughly 10,000 undergrads enrolled and an increasing percentage of non-believers because there is no statement of faith. Through various avenues and opportunities, we want to reflect Jesus' ministry on earth, to love all, to help many and to train a few.

As a student, it was a joy to be equipped to share the gospel, develop rhythms of abiding and to see that I get to join in God's mission for people of every tribe, tongue and nation to know Him! We hope that students will abide in the Lord and grow in ways that are sustainable for the rest of their lives!
