SOVEREIGN HOPE CHURCH

## About the Family

My wife, Aubrey, and I graduated from California Baptist University (CBU) in April of 2016. We were very involved with Christian Challenge throughout our time as students and learned the value of “disciples making disciples.” We were both deeply impacted by this ministry. God quickly gave us a heart to serve college students, and I decided to join the ministry full time. After about eight years at CBU, we are now partnering with a local church in Missoula, Mont., in order to reach students at the University of Montana.

## About My Ministry

College students are among the most reachable, teachable and “sendable” people groups in the world. They have the capability of influencing the entire world with the gospel. Our goal is to share the gospel with the lost, invite them to walk with Christ and to equip them to make disciples.

We are incredibly grateful for our financial supporters and faithful prayer team who allow us to do ministry full time. If you have any questions, please feel free to contact us.

### PRAY.

Please pray that many students would be saved by the gospel. Pray they would desire to live a life like Jesus and make disciples who make disciples. Pray for perseverance as our staff works hard investing in college students. Pray we would continue to consistently receive financial support so we can continue serving students full time.

### PARTICIPATE

We have an incredible team of prayer and financial partners for whom we are incredible grateful. We would love for you to consider joining our support team on a monthly basis as we serve students at the University of Montana.

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
