### LAKE AVENUE COMMUNITY CHURCH

### About the Family

My wife, Marianne, and I have lived in Colorado for nearly 10 years. God has given us a deep love for ministering to the amazing people across this state. Specifically, God has called us to Pueblo, Colo., and it has been the best adventure yet! Together with our two daughters, Tobin (7) and Toryn (5), we are enjoying soccer games on the weekends, cheering for the Central High School Wildcats on Friday nights, and putting green chilies on everything!

It is the passion of our hearts to join with God in sharing His gospel across Pueblo and someday all of southern Colorado as well!

### About My Church Plant

Lake Avenue Community Church is a new church plant in south Pueblo, centered in a historic community known as Bessemer. There is not another gospel-believing church for nearly a mile in any direction, and most of this community has persevered through generations of economic struggle and impoverished living conditions. This community is filled with incredible people whose love for each other is matched only by their pride in where they live.

The building where we will gather was at one time the largest church in Pueblo and a figurehead in this community. Now however, we are needing the support of Christians to help renovate this century-old building and lead the way in developing new disciples and transforming our neighborhood to experience life and life abundant!

Find out how you can

**Pray.**

**Participate.**

**Provide.**

#### PRAY.

Pray local schools will be receptive to our attempts to serve and minister to their specific needs.

Pray for the safety of those in our community.

Pray for wisdom for our team as we push back against the sin that is trying to rule in Bessemer.

Pray for our building and that government officials will support our renovations and work efficiently.

Pray safe travels for the mission teams as many of them come from far away to help support us.

#### PARTICIPATE

If you are interested in participating in this mission to see Lake Avenue Community Church reach Pueblo with the gospel, please consider any of the following. Join our prayer team. Send monthly financial support. Bring a missions team. Come for a visit!

Email us with any questions  
[Info@lakeavenue.org](mailto:Info@lakeavenue.org)

#### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
