## AUGUSTA COMMUNITY CHURCH

### About the Family

I was born and raised in Augusta, Georgia, but moved to the Atlanta area in 2005, where I met my wife, Ashley. We have four kids. I have served as a teacher and coach. For the past eight years, I have served in full-time ministry, most recently in a church revitalization that merged with a replant.

In 2025, God called us back to Augusta to plant a church and partner with the Augusta Association to bring health to existing churches. We didn't plan to return to Augusta, but God's plan and timing are perfect. Our home church confirmed our call and sent us out to multiply.

Our family is on this journey together, growing in our trust in the Lord and learning to serve those around us with the truth and love of Jesus Christ. We are connecting and building relationships in Augusta, while looking forward to how God will move in this community.

### About My Church Plant

We are sent with the good news of the Savior to Augusta. Though in the heart of the Bible Belt, we are in an area that is almost 80% unchurched. Many have turned away from faith or are disengaged, while some are searching for real community. Our goal is to be a small- to mid-sized gospel-centered church that multiplies disciples. We focus on the next generation, those new to the community, and the lost. We aim to inspire generations to follow the real Jesus now and forever.

We want to see Augusta look to Christ for salvation and identity. We want men and women to follow Jesus in life and fellowship. We want to see the church lead others to Jesus by multiplying mature disciples. We will be simple and reproducible in all we do, from disciples to groups to churches. It's not about us. It's about the kingdom and glory of God!
