ANCHOR CHURCH

About the Family

I was born and raised in northwest Florida and have a passion to make disciples of Jesus by communicating the truth of God's Word and leading others to participate in the mission of God.

My wife, Bethany, grew up in Orlando and loves showing the hospitality of Christ and building relationships with others. We have three children: Ben (4), Lily Kate (2) and Blake (born in July).

About My Church Plant

Anchor Church is a church plant in Freeport, which is a city in the heart of the fastest growing county in Florida. We are starting the church to see lives transformed by the gospel.

The vision of Anchor Church is redemption and restoration in our homes, churches and communities.
