SENECA CHURCH

About the Family

I came to know Jesus Christ as Lord and Savior as a child, while living in Nova Scotia, Canada. My family moved to the USA, and I was baptized at age 8 in Livermore, Maine. Growing up in Christ, I grew in love for people. Through studies at the Word of Life Bible Institute, I was called into Christian ministry. This call was clarified through local church service and studies at Baptist Bible College (Pennsylvania) and The Southern Baptist Theological Seminary (Kentucky), where I obtained an Advanced MDiv in Missions and Church Planting.

I am a lover of the outdoors and a diehard Boston Red Sox fan, still holding out hope of playing center field for the Sox one day. In the trunk of my car, you'll often find a tent, a fold-out chair and enough ready material to start a campfire, so I'll be ready to go camping in a split moment's decision.

About My Church Plant

Over several years, the Lord has worked in my life to put a burden for Canada on my heart, a passion for engaging people from other world religions, a joy in cross-cultural ministry, and a desire to engage in a cutting-edge missions' strategy of reaching the unreached people groups who are immigrating to global cities in the West through disciple-making and church planting.

Having previously worked in missions in Toronto, Canada, from 2011–2013, I am now back in Toronto with NAMB/Send Network to proclaim the gospel, make new disciples, plant churches and train leaders in the task of reaching the ends of the earth through Toronto.
