NORTHEAST AREA MISSIONS

About the Family

My husband of 32 years, Jack McCormick, and I have served as missionaries through the North American Mission Board (NAMB) since 2003. We have served in West Virginia, Georgia, Alaska, Mississippi and South Carolina. God called us to assist churches in reaching out to the communities around them and to assist in mobilizing volunteers to get involved in missions. He has given us a heart for populations who don't always feel welcome in church.

About My Ministry

I travel the U.S., increasing awareness of sex trafficking through my "Right Where You Live" workshop. I teach churches about trafficking near them, warning signs of victims and offenders, how a child victim can be living right at home and how the church can help. "The Truth About Pornography" shows how pornography and trafficking are linked, dispelling the myths: "It doesn't hurt anyone," and "No one I know views it."

Jack serves in construction ministry and Disaster Relief. He mobilized volunteers to construct a fully-accessible house for a family with a child in a wheelchair. He assists churches with their construction/renovation needs and currently coordinates RebuildSC, which is a ministry of the South Carolina Baptist Convention that mobilizes volunteers to restore the homes and lives of those impacted by the 2015 floods.

PRAY.
Pray for the victims of human trafficking and disasters.
Pray there would be receptive hearts among the people in communities where we serve.
Pray churches and individuals will partner with us.
Pray God would raise more volunteers to help families rebuild their homes and lives after all the hurricanes.

PARTICIPATE
Connect as a Sending Church or a Supporting Church and serve with us. Become involved as a missions partner, supporting us prayerfully and financially.
Schedule me for a workshop at your church to learn how trafficking and pornography are right where you live. Send volunteers from your church to help Jack rebuild homes devastated by floods and hurricanes.

PROVIDE
Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
