### PRAY.

—That students on Vermont college campuses would hear and respond to the good news of Jesus Christ.

—That God would continue to provide both financial and human resources (more missionaries) for the work still to be done here in this state.

—That students who graduate from this ministry would consider entering the mission field, even staying in Vermont to continue the work

### PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us as a missionary partner. Be involved in supporting missionaries and their families. Pray for missionaries.

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

Originally meeting in college, somewhere around 2004–2005, Monica and I were friends for nearly five years before we began dating. Just more than a year later, May 28, 2011, we got married. Now we have two kids whom we adore and who keep things very lively. Cadence Mae, is our daughter and oldest, and Ransom is our son.

## About My Ministry

Vermont is known for its beautiful green mountains, Ben and Jerry's ice cream, fall colors and being one of the least religious states. Many people would find the prospect of working with college students around Burlington, Vt., a challenging one, but we find it to be a grand opportunity. God is working in the area, and the students, despite being largely unchurched, have a spiritual curiosity that needs to be met. This is where God wants us to be.

Our heart is to see the gospel preached to students by students in Vermont and for them to grow in relationship with God through the local church. Our passion is one-on-one discipleship, talks over coffee, having students over for dinner and seeing new believers get baptized. We are humbled by and grateful for our ministry partners who invest in our lives and this ministry.
