HARVEST BIBLE CHURCH

## About the Family

My wife, Kristi, and I will be married for 24 years this September. We have four wonderful children. Brittany is 25 and lives in Kansas City. Shauna is 23 and lives in Singer, La., with her husband, Noah, and newborn son, Rowan. Wesley is 19 and is attending college and plays football at Missouri Valley in Marshall, Mo. William is our youngest at 16, and he is a sophomore at Southwest R1 in Ludlow, Mo.

Our family loves to spend time together. We enjoy playing games, hunting, fishing and camping.

## About My Church Plant

My family and I have had the opportunity to plant a church on our family farm. We are blessed to worship in a barn! Our place of worship consists of a barn with a dirt floor, a tractor and cows roaming past the doors during service. We have a vision and desire to see the lost saved and the saved strengthened.

Harvest Bible Church was started in July of 2020 in the middle of a pandemic. While other churches were struggling to keep the doors open, God was growing His church in a garage in the middle of a rural area. We started with 12 people in a garage, but we soon grew to the point that we had to move to the barn. We now are running an average of 57 most Sundays. We are blessed to have a children's ministry that is growing also. They are the "Next Generation of Harvesters." We expect to need a bigger barn soon!
