LORD'S WILL CHURCH

About the Family

I have been pastoring for more than 30 years, and I think this time now, after planting a church, is the last pastoral time that God will allow in my life. So, I want to make the present time a time that pleases God and allows only His will to be accomplished.

I am married and have three children. My eldest and youngest sons are independent and live in Chicago and Austin. My youngest daughter lives with my wife and I. All of my family are happy about my church planting and are now praying for support.

About My Church Plant

My wife and I planted a church for Koreans in the Detroit area. There are several Korean churches in Detroit now. However, among Koreans, there are many who are disappointed with the pastors and church leaders and have given up and stopped going to church because members are hurting each other. They are lost sheep. My wife and I will focus on ministering to those lost sheep. We will do our best to bring wounded souls and lost sheep back into the church and into the arms of Christ.
