

Stacey Burton

LAKE CUMBERLAND BAPTIST ASSOCIATION

About the Family

Hello! I am Stacey Burton, single adoptive mom to eleven ranging in age from 2 to 31. God has blessed me with an amazing family, church family and friends, allowing me to fulfill my dreams of being a mom and a MISSIONARY! As a young girl, I dreamed of being a missionary and serving families and children. Now I get to do that daily in my own hometown, Somerset, Kentucky.

About My Ministry

My ministry focuses on women and their families. I work closely with a rehabilitation facility in our community, building relationships with their clients, serving them lunch twice weekly, and becoming a support for them while they are in the program. My partners and I offer family days, allowing their families to visit in a safe and neutral environment and offering games and activities for them to do while they are together.

I also offer community outreach activities throughout the year, including seasonal events, community dinners and more. My goal is to connect families to local churches, build relationships within those churches and, ultimately, lead them to Christ. Our motto is, "It's all about relationships."

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for more churches to join in the ministry as partners so we are able to spread into other areas of our county. Pray for willing volunteers to serve and love on the families we serve. Pray for more people to give. Monetary donations are used to purchase food for the meals, supplies for the activities, gifts for the families and more.

PARTICIPATE

Pray for us! I would love to add YOU to the prayer updates I send out after each event. Serve with us! Come to Somerset and serve during an event or host a new event with us. Anything goes!

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
