RIVERPARK CHURCH

About the Family

Stephen and Hannah were both born and raised in the Dallas-Fort Worth area of Texas. They met in college and got married shortly after graduation in 2010. They have four energetic kids who love exploring outside. They served at Hope Church in Fort Worth where they completed a ministry training program called the Antioch Project, through which they also earned their M.Div. degrees.

The Daniels arrived in Kansas City in September 2018 and enjoy the snow and watching the Chiefs! Team Daniel is excited to be part of expanding God's kingdom in Kansas City.

About My Church Plant

The Daniels are starting RiverPark Church in Parkville, Mo. Parkville is a town just north of downtown Kansas City that is known for its quaint downtown, good schools and the Missouri River, which borders it. According to the latest survey, 64% of the county in which Parkville resides did not claim any religious affiliation at all, much less Christianity.

RiverPark Church will focus on reaching the many young families moving to the area and building God-honoring communities of believers. RiverPark Church will also endeavor to train up leaders who will be sent out across the city, nation and world to advance the kingdom of God.
