

Stuart Bell

CITY CENTER BAPTIST CHURCH

About the Family

Lisa and I have been married since 1983 and have served together in ministry since 1984. After serving in Texas, Oklahoma and Arkansas, moving to the Pacific Northwest has been quite a change—and we love it! We have two children. Emily is married to Matt, with grandsons Samuel and Calvin, and living in East Asia. Lucas is married to Kyla and is living in Kansas City, Mo.

Traveling on mission has enriched our ministry. Through ministry in India, Greece, Russia, Cuba and Eastern Europe, God has given us a love for cities, especially now for Seattle. Traveling, hiking, coffee shops, reading and relationships are among our interests.

About My Church Plant

Our vision: "A new New Testament church planted in downtown Seattle, rooted in the Word, and filled with people whose lives have been transformed by the gospel (Mark 5:15)." So, we go praying. By God's grace, we begin conversations that lead to authentic friendships, that lead to the gospel, that, in His time, lead to conversion, discipleship and faithful church membership. This has been our model since arriving in downtown Seattle October 26, 2016.

On December 2, 2018, 14 of us covenanted together to become City Center Baptist Church in downtown Seattle. It is our joy to gather each week, presently at the Sheraton Grand Hotel, to sing, pray, read Scripture and preach the Word. He is faithful!

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for holiness of life and humility of heart.
Pray that friendships will move to gospel conversations.
Pray for supporters to continue until the church is self-sustaining.

PARTICIPATE

Pray for authentic friendships to lead to the gospel.
Connect as a long-term Supporting Church.
Join us in downtown Seattle for prayerwalking and building relationships.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
