BUFFALO LIVINGSTONE CHURCH

About the Family

I was born and raised in a Christian family in a small town of the southeastern province of South Korea. I was called for His kingdom and commissioned as a missionary in 1988 and served the house church ministries for college campus students in Kansas City, Mo., and Buffalo, N.Y.

I began planting churches for the Korean community in the Buffalo area in January, 2020, and expanded to an English service and Bible study on the University at Buffalo campus (SUNY at Buffalo) in September, 2022.

I was officially endorsed by NAMB as church planter on October 1, 2023.

About My Church Plant

I have the vision and call to preach the gospel of the Lord Jesus Christ and God the Father. I am engaged in the study of the Word with the help and guidance of the Holy Spirit, believing and trusting in the Word of the Lord God and our Lord Jesus Christ for transformation and healing and correcting and discipline in our lives. The Word search and dig are the first priority of our church, the body life, and reaching out to the needy in the community.
