JOY CHURCH

About the Family

Hello! I was born and raised on Long Island, where I have the joy of pastoring. I'm known as a joy seeker, a creative, a musician and a collector of hobbies. As a single man without children, I love participating in the world around me.

I love Jesus and hope to spend my whole life in greater and more joyful submission to the Lord.

About My Church Plant

Joy Church is a church replant on Long Island that exists to forge disciples of Jesus Christ by renewing relationships, mending lives and living for Jesus. We envision a vibrant, faith-infused community who actively redeems culture and makes a tangible impact on Long Island. Our vision, therefore, is to see disciples become catalysts for cultural renewal, using their God-given gifts, talents and skills to glorify Jesus.

We believe God's call for us is not only to grow personally in our faith but to let that faith seep into and transform every corner of society. This drives us to be an invested congregation to empower, equip and enact real change on Long Island for the glory of Jesus. As we live out this vision, we believe our church will reflect the glory of God and spark joy in every corner of our beloved Long Island.

PRAY.

Pray for boldness, provision and safety as we minister in an economically disadvantaged area on Long Island. Pray that many would come to faith, be baptized and enter into discipleship relationships and groups. Pray for endurance.

Pray that I, as a church planter, will always make my relationship with Jesus my first priority.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support. Be involved in supporting our work and family. Pray for us so God's kingdom will continue advancing here. Pray we will make connections with new families. Bring short-term missions teams to help us with our major community events and outreaches.
