STORIED CHURCH

About the Family

We are the Hawkins: Tim, Kayla, Jamison, Whitman and Sutton. We visited Colorado Springs in 2011 on a short vacation and fell in love with the city. We had no idea God would call us back in 2017 in a whole new and fuller way. Initially, we thought the Lord called us to the Springs to lead a local church, but we have since realized He called us here to impact an entire city.

As a family, we love to have people in our home (“hospitating”), hiking fun trails like Seven Bridges or stair-stepping the Incline, exploring new unique Colorado spots, being active with sports and fitness, dabbling in homemade kombucha and watching college football.

We love to share our story. If you want to know more, we’d love to tell you more.

About My Church Plant

Storied Church is a brand new church plant that will be gathering in North Colorado Springs soon. The population of North Springs has doubled to nearly 35,000 in the past 10 years. Business and residential development is booming and the Springs is considered a top five city to move to in the entire country. The average age is 34.5 with household size of 3.5 with kids.

North Springs is in desperate need of community churches who encourage and assist families in raising and giving hope to the next generation.

Storied Church exists to inspire people to celebrate their lives with Jesus. We believe every person has a story worth sharing, knowing and celebrating because Jesus died for them.
