RENAISSANCE CHURCH MONTREAL

About the Family

My wife, Melissa, and I are missionaries in Montreal, Québec. We have two daughters: Skylar (7 years old) and Kennedi (1 year old). We are passionate about seeing Jesus glorified in Montreal and beyond.

About My Church Plant

I am the lead pastor of an English-speaking church in southwest Montreal called Renaissance Church. We have a passion for church planting and raising up leaders from within the local church.

PRAY.

Pray God will use us to reach our neighbours and friends with the gospel. Pray for boldness to share the gospel despite it's unpopularity within a post-religious context.

Pray that God would raise up leaders within the church, many of whom come from an unchurched background.

PARTICIPATE

Reach out for opportunities to come on a vision tour or a mission trip.

Help support everyday needs by partnering financially.

Help support a project in our community, such as the food bank or a movie night.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
