IMPACT MULTIPLIED

About the Family

My wife, Melissa, and I have a ranch north of Seattle. We started a the Cross Country Cowboy Church Network to take the gospel into more than a thousand riding clubs in the Greater Seattle Area. To date (July 2020), we have started four weekly worship locations and more than 1,400 people have received Jesus Christ as Savior and Lord.

We have grown children and are currently fostering to adopt a sibling group of four kids.

About My Church Plant

There are more than 1,000 horse-riding clubs/indoor facilities in the Greater Seattle Area. These facilities are ready-made to house cowboy church outposts (worship locations). We are serving in club events, connecting with this culture, leading people to Jesus Christ, making disciples and training leaders to do this ministry.

We have had the opportunity to share Christ in these settings and have seen more than 1,400 people to date (July 2020) commit their lives to Christ. We have four weekly worship locations currently and are on course to multiply that to eight locations soon. Seventeen new leaders are currently being trained to help start new cowboy church outposts.

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
