PRAY.

The most impactful way we could ask anyone to invest in us is to pray. We fully believe that the prayers of God's children will be heard, and as we cry out for Him to do what only He can, He will move. Pray for our leadership as we lead with wisdom and discernment. Pray that City Gates Church would be a people who follow Jesus, live in freedom and multiply the kingdom.

PARTICIPATE

Want to get involved? We would love to know you're praying for us. Send us a note of encouragement or help fund the mission that God is accomplishing in Shallotte!

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

About the Family

Abby and I have been married for 10 years! We have learned a lot of lessons throughout our first years of marriage.

Our four members of our family are me, Abby, Emmy and Fitz. I love the Dallas Cowboys (to my own demise), working out, being outside and early mornings with good coffee. Abby loves baking, testing Pinterest recipes and the best coffee spots.

Emmy is our first child, and she has no shortage of personality. She loves princesses, tea parties and dance parties. At any point in the day, you may find our family clearing the living room floor to sing and dance together.

Fitz is our 8-year-old Shih-Tzu puppy. He is both an old man and still a puppy. Not sure how that works, but this is the life of Fitzy.

About My Ministry

Our call to ministry started in 2016. It has been a seven-year journey of surrender and pruning. Over the past seven years the Lord has equipped us for what He was calling us to in this next season.

The past four years in Conway, the Lord has taught us to rest in Him and Him alone. As we've slowed down our pace of life and spent more time in His presence, He has shown us more of himself. Over the past two years, we have become confident that God is calling us back to Shallotte, and we are simply surrendering to His plan. This is us saying "Yes" in obedience, believing that He is moving His kingdom through a work of the Holy Spirit and as He has invited us into this move. We simply want to cooperate with His plan and His purpose.
