SEED OF HOPE CHURCH

About the Family

My wife and I are originally from Kansas. I was born in Hays and grew up in Topeka. Roxanne grew up in Morton County. Just before moving to Colby, Kansas, we lived 14 years in Fort Worth, Texas, which is where our kids were born.

We moved to Colby in July 2020 in response to God's call to begin a new ministry here.

About My Church Plant

God called us to Colby to be part of rebuilding the body of Christ in rural towns. We have a ministry of restoration of faith, families and community. The hope of the gospel is a seed that is planted. Seed, Sow, Harvest. As God transforms lives, the seed grows and transforms lives, which transforms families and communities. We help people meet Jesus and grow in their walk with God.

Nehemiah rebuilt Jerusalem by helping people rebuild the surrounding area. We believe God has called men and women to help rebuild the church where they live. Our God-given dream is to develop leadership training to begin Bible studies in surrounding towns and develop them into churches led by co-vocational pastors, such as farmers, mechanics and teachers who love God.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray we would gain trust among the people in the community.
Pray God will present opportunities for gospel conversations and give us boldness to share the hope of Jesus.
Pray that God would raise up leaders to help in the harvest.
Please pray for our outreach to the college students at Colby Community College / Young Adults.
Pray for our family as we try to help our community by being part of fostering.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Consider how God might have you help participate through giving or even coming to help physically with your efforts and talents.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
