THE BRIDGE AT MANHATTAN

About the Family

Sami and I have been married since 2006 and have three sons and one daughter: Lukas, Ryleigh, Connor and Marshall.

About My Church Plant

We are replanting a church in Manhattan, Mont., which is a town of close to 2,000 people that is still growing. Most residents do not attend church anywhere.

Our goal is to lead people to a saving faith in Jesus Christ and to teach them how to live a life worthy of the gospel (Philippians 1:27).

We are willing to serve alongside anyone who holds to the truth that Jesus Christ is the only way for salvation and that the Bible is God's perfect written Word, is without contradictions and is still applicable for today's world.
