IMAGE CHURCH

About the Family

I'm 30 years old and originally from Atlanta, Ga. I've felt the calling to preach as long as I can remember. I ran from it for a long time, but the Lord corrects those He loves, and He surely corrected me. Since then I've been on a mission to tell everyone I can what Jesus did for me.

About My Church Plant

According to Matthew 28:19, I have actual boots on the ground and am sharing the gospel. I am spreading the love of Christ one person at a time, going out into the community and putting biblical Christianity on display. Unhindered love will be met with radical hospitality and generosity always pointing back to King Jesus!

I'm the outreach coordinator for my church. I lead and train in evangelism, growing our local church and the kingdom of God
